THE GRAHAM STOCK

Figure it out for yourself. Instead of paying 100 cents on the dollar we only paid 60 cents.

instead of putting the difference in our own ckets we are sharing it with our customers.

We are clearing the Graham Stock on a profit

FOR EXAMPLE:-20 per cent off a \$10 Suit would only save you \$2, but at 60 cents on the dollar would save you \$4-just double. That's the way to figure what you can save during the Graham Stock Sale at Gough's.

should afford evidence of refinement and good taste, and to convey this impression the furniture must be substantial and present a good

appearance.
The day for ricketty "scrap-heap" furniture in the dining room has passed, just as surely as the crude three-legged stool of the pioneers is no longer to be found in our kitchens.

WE ASK YOUR INSPECTION OF OUR STOCK OF Dining Room Cabinets, Extension Tables, Chairs of all Kinds, etc.

Every housekeeper has an instinctive love for Silverware, fine China and Glassware and spotless Napery, but the effect of these falls short unless the furniture in the dining room is in keeping with the table fittings. No good reason why it should not be, you will say, when you learn the low prices we have put on our beautiful goods.

IT'S MORE THAN A Midsummer Night's Dream

some and appropriated

It's a midsummer day's dream to see yourself gowned in one of our gauzy, graceful and shimmering summer gowns.

We are showing the most beautiful materials for midsummer that were ever manufactured.

What so picturesque against a background of blue sky and green landscape as a prettily gowned woman? The simple charm of her clothes is their dainty texture, dressy effect, and inexpensive outlay. These Muslins, Lawns, Voiles, Crepes, Linens, etc., are all going fast, so you should select early for designs.

We are not making any special line a bargain, because all the goods we carry are really always bargains. This year there are so many pretty notions for Neckwear that the ladies are bewildered-then there are the numberless little Pins, Buttons, Combs, etc., so necessary for the summer outing.

Come in and let us assist you in your selection; we'll keep you posted on what must be worn.

WE'RE IN THE BUSINESS

For the Public Good.

We haven't been devoting any newspaper space to our Fruit Department because it seems to be pretty well known that we do not take a back seat from any firm in that linenor in any other connected with provisioning a family.

FRESH FRUIT DAILY

We've been handling Pineapples, Oranges, Lemons, Bananas, etc., longer than most of our competitors, and really think we get finer fruit from the wholesalers. We should of course, if old associations count for anything. Anyway, we in vite you to place your orders with us. You'll not regret it.

IT'S MORE THAN A Midsummer Night's Dream

It's a midsummer day's dream to see yourself gowned in one of our gauzy, graceful and shimmering summer gowns.

We are showing the most beautiful materials for midsummer that were ever manufactured.

What so picturesque against a background of blue sky and green landscape as a prettily gowned woman? The simple charm of her clothes is their dainty texture, dressy effect, and inexpensive outlay. These Muslins, Lawns, Voiles, Crepes, Linens, etc., are all going fast, so you should select early for designs.

We are not making any special line a bargain, because all the goods we carry are really always bargains, This year there are so many pretty notions for Neckwear that the ladies are bewildered-then there are the numberless little Pins, Buttons, Combs, etc., so necessary for the summer outing.

Come in and let us assist you in your selection; we'll keep you posted on what must be worn
